

SAFETY DATA SHEET

1) Product and Company Information

Product Name:	PALMIT T16
Product Description:	RBD Hard Palm Stearin Pure vegetable Palm Fat
Material Use:	Raw material is edible and non edible. Livestock Feedstuff
Supplier:	Global Agri-trade Corp. 320 Golden Shore, Suite 350 Long Beach, CA 90802 Tel. No.: (562)320-8550 Fax No.: (562)256-7551
Emergency Contact:	1-562-320-8550 Executive Director

2) Hazard Identification

Proposed Classification:

This product contains no substances classified as hazardous to health.

While this material is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910, 1200), this SDS contains valuable information critical to the safe handling and proper use of the product. This SDS should be retained and available for employees and other users of this product.

Human Health Hazards:

a) Inhalation:	Dust can cause respiratory tract irritation.
b) Skin Contact:	Can cause irritation.
c) Eye Contact:	Can cause irritation.
d) Ingestion:	Not applicable.
Physical / Chemical Hazards:	Slight bland/tallow like odor.

3) Composition/ Information on Ingredients

Chemical Description:	Mixture of Triglycerides.
-----------------------	---------------------------

4) First Aid Measures

Inhalation:	Move to open air.
Skin contact:	Flush skin with water.
Ingestion:	No danger ingesting.
Eye contact:	Wash with plenty of water.

5) Fire Fighting Measures

Suitable Firefighting Equipment:	Extinguishing foam, dry powder, carbon dioxide.
Personal Precautions:	Wear appropriate protective clothing.
Environmental Protection:	Place in covered containers for disposal in approved landfill.

6) Accidental Release Measures

Personal Precautions:

Wear dusk mask if dusting occurs; Feedstuff, no direct danger.

Environmental Protection:

Minimize contamination of drains, surface and ground water.

Leak/Spill:

Collect leakage in sealable containers, soak up with sand or other inert absorbent and remove to safe place. Dispose of in accordance with local, state and federal regulations.

7) Handling and Storage

Avoid contact with eyes; it is recommended to use gloves and wear goggles when handling; store in a cool and dry place; avoid extreme heat and cold.

Store away from strong alkalis and oxidisers. Temperature higher than necessary degrades quality at rates dependent on time and temperature of exposure. Exposure to ultraviolet light, especially sunlight must be minimized to prevent quality loss.

8) Exposure Control/Personal Protection

Personal Protection:

Only required if exposed at high temperature, as the hot oil could cause burns. Wear appropriate protective clothing.

Occupational Exposure:

No limit has been established.

9) Physical and Chemical Properties

Appearance:	Waxy, white solid; Beads or Flakes.
Odor:	neutral – bland
Boiling Point °C at 760 mm Hg:	> 300
Melting Point, °C:	58 - 60
Flash Point, °C (Pensky Martens closed cup):	> 270
Auto-Ignition Temperature, °C:	> 300
Solubility in Water, g/100 ml at 20°C:	none
Density, g/ml at 75°C:	0.88 – 0.90

10) Stability and Reactivity

Conditions to Avoid:	Contact with strong oxidizing agents, direct fire and strong alkalis. Precautions must be taken to prevent potential dust explosion during handling.
Decomposition Products:	Carbon, carbon dioxide and carbon monoxide.

11) Toxicology Information

Acute Toxicity:	None known.
-----------------	-------------

12) Ecological Information

Biodegradable material. Aquatic Toxicity not known

13) Disposal Consideration

Dispose of in accordance with all applicable local, state and federal laws and regulations.

14) Transport Information

Not dangerous, no transport regulations applicable.

15) Regulatory Information

Triglycerides are categorized under non-hazardous chemicals.

16) Other Information

Date of Last Revision: December 1, 2015

All statements, technical information and recommendations contained herein are based on available data which we believe to be reliable. All statements or suggestions are made without warranty, expressed or implied, regarding accuracy of the information, the hazards connected with the use of the materials or the results to be obtained from the use thereof. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user. Global Agri-Trade Corporation assumes no liability or responsibility for the loss or damage resulting from improper use or handling of our products from incompatible product combination or from the failure to follow instructions, warnings and advisories in the products label or Safety Data Sheet.
